Haringey Council

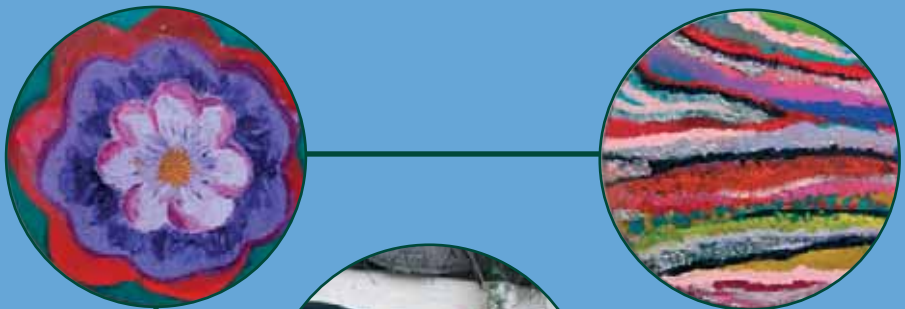

What would you change in your neighbourhood?

Make a difference to:

- Open spaces
- Young peoples lives
- Older peoples lives
- Families lives

Making the Difference budgets are back for the fifth year. The budgets were introduced to give residents an opportunity to make positive changes within their local neighbourhoods.

Each of Haringey Council's seven Area Assemblies has a budget of £50,000 to spend on projects to make improvements.

Chestnut Primary School Murals

New gates at Golf Course Allotments Association in Alexandra ward

Who decides?

The Area Assembly chairs, who are also ward councillors, make the final decision on successful projects after consultation with residents and council officers.

What can be funded?

- One off projects that make a significant improvement to a neighbourhood or to residents living in that neighbourhood
- Projects that can be completed within the financial year 2008/2009
- Projects need to be sustainable (particularly environmental projects)

Successful applications last year included:
