

Changes to your waste service

As the council works towards saving £20million across the borough, there will be some changes to your waste service. By handling waste differently we will be able to make vital savings while still providing a good service. This means more of our remaining resources can go into other essential areas such as adult social care, libraries and children's services.

Green garden waste

From Monday 23rd October 2017 a new green garden waste service comes in. Rather than withdrawing collections, we are following the example of many other local authorities by offering the service for a charge.

For £75 a year – that's £1.45 a week – you will get your own wheeled bin for garden waste, with weekly collections. Start from Monday 23rd October 2017 and for the price of 12 months, you will get your new service until April 2019.

Current hessian sack collections will cease from Monday 23rd October 2017. If you do not sign up to the new service by this date, your garden waste collection will stop. If you choose to sign up later, you will be provided with a new garden waste bin and your service will begin.

This is an opt-in service, and we are encouraging you to sign up early, so there is no delay in us getting your new garden waste bin to you.

For other ways to dispose of your garden waste, visit www.haringey.gov.uk and search 'garden waste'.

Sign up

Tell Veolia you want to sign up now by emailing enquiries.haringey@veolia.com or calling **0208 885 7700**.

From Monday 23rd October 2017 you can also sign up online. Bins will be 240litre (the same size as normal household waste bins), but if you think your garden is too small to accommodate a standard size bin, we can offer other options. Make sure you sign up before April 2018 to get your full year.

Find out more about the garden waste service at www.veolia.co.uk/haringey

Please turn over for more information on your garden waste service.

The garden waste charge works out at £1.45 a week.

✓ YES PLEASE

What to include in garden waste

good to know

Leaves and prunings

Small branches
(diameter no thicker than 2cm)

Flowers and plants
(no soil)

Grass cuttings and
hedge clippings

✗ NO THANKS

Soil or turf, general waste, plastic flower pots and trays, food waste, cardboard or other recyclable materials

Your weekly food waste, dry recycling and general waste services will stay the same.
Thank you for recycling.

OFFER: Residents who sign up to the garden waste service before April 2018 can get six months of food waste caddy liners for FREE*

Find Terms and Conditions here www.veolia.co.uk/haringey

*While stocks last

General waste (rubbish) and recycling bins

If you need a new bin there will be a £30 charge to replace it from **Monday 31st July 2017**. New residents who do not already have a bin at their property will also need to pay the charge.

Residents will get their own bins and are welcome to put their names or house numbers on them.

You can read more about all of the changes here: www.haringey.gov.uk/refuse

Bulky waste collection

From **Monday 24th July 2017** it will cost £25 for Veolia to collect up to four bulky items, such as furniture, from your home. Additional items will be charged at £10 per item. To book a slot and see the bulky items Veolia can collect, visit: www.haringey.gov.uk/bulkyitems
