

Bikehangar Cycle Parking in Your Road

Statutory Notification

Dear Resident,

25 September 2019

Encouraging more people to cycle is an important part of central Government and Haringey council policy to tackle traffic congestion, improve air quality, promote physical activity and improve accessibility.

Local residents may rent a Bikehangar space by paying an annual fee and key deposit to 'Cyclehoop'. For further information on Bikehangars and details of charges, visit: www.cyclehoop.com.

Our commitment includes promoting cycling as a serious transport alternative; and with the continuing growth in numbers of people who cycle, we recognise the need for safe and secure cycle parking.

Proposed Location

Following requests from residents, we propose to install a Bikehangar in your road. The proposed locations are listed overleaf in road name order.

If you have any comments or suggestions on the proposal, please email us at:

Frontline.consultation@haringey.gov.uk

Please put 'Bikehangar' and your road name in the title line of the email.

Please ensure that your comments reach us by **16 October 2019**.

If no major objections are received, we plan to install the Bikehangars in **December 2019**.

We would like to help residents who do not have adequate space to store their bikes by offering a Bikehangar facility in which space can be rented.

Bikehangars are communal bike lockers offering storage for six bicycles. Each Bikehangar unit occupies less than one car parking space.

The units are easy to open as they have self-lifting doors, and the steel design protects cycles from vandalism and wet weather.
