

# Save our park

**Friends of Down Lane Park** want the council to keep to its 2006 plan to improve the southern end of the park which includes the children's playground and youth facilities.

You will receive a leaflet through your door from Haringey Council with two options for you to choose regarding Down Lane Park.

**Option one** says nothing about improving the southern end of the park the other

**Option two** promotes the building of a housing estate on the southern end of the park.

We are campaigning for an **Option 3** and we are hoping for your support.

On the area of the leaflet where you are asked to choose, please tick disagree in both option one and option two.

In the blank space for comments please write

Then please send the leaflet back as directed on the leaflet

Haringey council leaflet

**Taking into account the advantages and disadvantages, which development option do you support, if any?**

**Option one:** build new homes on the whole of the Recycling Centre & Depot on Ashley Road / Park View Road with no development in Down Lane Park.

☐ Agree ☒ Disagree ☐ Neither agree nor disagree

**Option two:** focus new development closer to the Station (building on part of Down Lane Park) but not before the Park is extended (by at least the same size) on the north side when the Ashley Road depot relocates to Marsh Lane in 2012.

☐ Agree ☒ Disagree ☐ Neither agree nor disagree

**Where would you like to see any new community buildings, eg. for meetings, informal sports or general leisure.**

Built on the Recycling Centre & Depot site on Ashley Road / Park View Road

☐ Agree ☐ Disagree ☐ Neither agree nor disagree

Built on land closer to the Station

☐ Agree ☐ Disagree ☐ Neither agree nor disagree

If you wish to comment further, please use the space below or continue on a separate sheet of paper

*Option 3*
