**Walks are FREE. Donations are always very welcome. Your voluntary contributions cover the cost of our transport, batteries for detectors and aid in the general running of the Group.**

### Our work

Lee Valley Bats' is a voluntary and FREE MEMBERSHIP bat group. We are devoted to the appreciation and welfare of bats and offer training in bat detection and surveying.

The Lee Valley is our main area of focus, though we also operate in areas close by. We mitigate for bats, advise councils, e.g. installation of bat-friendly street lighting; bat box siting; lead commissioned public bat walks and more.

Your support is much appreciated.

**Unscheduled walks, if any, are notified at short notice.**
