Hornsey Depot planning application submitted

The proposed Hornsey Depot scheme includes a foodstore, residential apartments, live/work units, car park and landscaped public spaces.

The planning application was submitted by St. James and Sainsbury's on 30th September. It can be found on the London Borough of Haringey's website: www.planningservices.haringey.gov.uk/portal. You can search for it using the application number HGY/2013/2019, and can respond to the application online.

Consultation to date

June workshop

A big thank you to everyone who took part in the consultation - over 550 people were involved, either visiting the exhibitions, attending the workshops or contacting us directly with feedback.

Your views played an important role in shaping the developing masterplan with major changes made to the plan as a result of feedback.

The consultation process and findings are detailed in the Statement of Community involvement, which can be downloaded from the Hornsey Depot website: www.hornseydepot.com
