Do you have a green thumb  
for gardening?

In return, we can offer you:

- opportunities to develop skills and expertise within the horticultural sector
- valuable work experience and skills for your CV
- the chance to meet new and like-minded people
- the chance to contribute to a much-loved community park
- additional opportunities to become involved with partner organizations such as The Conservation Volunteers, The Friends of Alexandra Park and Parkrun
- Travel expenses covered to a maximum daily limit of a Zone 1-6 off peak travel card (£8.90)
- A £5 food voucher to use on site in our Bar & Kitchen or the Ice Café when you volunteer for more than 4 hours on a given day
