

August 2014

Dear Resident,

We are staging two new events in Finsbury Park - Ceremony on Saturday 13th September and United on Sunday 14th September.

These events both run between 11:00 and 22:00. The capacity of each event will not exceed 9999 people and use a small section of the park (The Bandstand Field) leaving other parts open as normal to public access. Stroud Green Gate will be used for the crowds to enter and leave the park.

The event build will commence on Monday 8th September and we will be on site through to Wednesday 17th September. During this time there will be site traffic associated with the event in the park. Park users please be aware that the Oxford Road Gate will be locked at 16:00 on event days.

During the event stewards, litter pickers and noise management teams will patrol the park. Should you have any concerns during the event with regards to litter or sound, please call the numbers listed below:

Event Production (including litter): 020 3598 4706 (operational between 10/09/14 - 15/09/14)

Event complaints hotline: 020 3598 4705 (operational between 10/09/14 - 15/09/14)

Event organiser / production company: Slammin' Events 020 8363 5566

Haringey Licensing Team: 020 8489 8232

Haringey Noise Team 020 8489 1000 daytime / 020 8489 0000 after 5pm and at weekends

The noise management team will be constantly taking sound measurements on and off the event site to ensure that the event operates within the set licensing conditions.

A soundcheck is scheduled to take place on Friday 12th September between 17:00 and 18:00 to help set levels and take sound readings around the park.

Litter pickers are to work through the night after each event, within the park.

Additional public toilets will be made available within the park but outside of the fenced off event space, these toilets will be for general use to the public.

There will be some congestion in the area once the event finishes due to sheer numbers of people looking to use the existing transport services. There are no road closures in effect for this event and no disruption to the bus services from either Station Place or Wells Terrace.

Normal parking restrictions in Haringey for Finsbury Park, Finsbury Park B and Finsbury Park C controlled parking zones will be in operation on both event days as follows: Saturday 8:30am to 8:30pm - Sunday 12 noon to 4:30pm.

There will be Arsenal match day restrictions in place in Islington on Saturday only.

Hackney Council would like feedback from their residents on whether their parking ability was impacted during this event. Please email [consultparking@hackney.gov.uk](mailto:consultparking@hackney.gov.uk) with any feedback.

Seven Sisters Road will be open as usual. Please be aware of people leaving the site from 22:00 on each event day. Stewards will be on site in Stroud Green Road to manage the ingress/egress of patrons for the event.

Regards  
Ceremony and United
