Sonny (Dev Patel) has begun his dream of expanding his business with 'The Second Best Exotic Marigold Hotel', but it's hard to balance running a hotel with planning a wedding. With the first hotel proving a huge success, he needs to buy another to accommodate new guests Guy (Richard Gere) and Lavinia (Tamsin Grieg), while Evelyn (Judi Dench) and Douglas (Bill Nighy) have joined the workforce. Chaos ensues as the attempt to plan a traditional Indian wedding threatens to engulf them all. Also starring Maggie Smith, 'The Second Best Exotic Marigold Hotel' is a charming ensemble comedy which brings fresh faces to the series.

Monday 22nd June 2015 10.30– 1:30pm

Rugged farmer Joshua Connor (Russell Crowe) possesses a rare gift for divining water, which he uses to irrigate the sprawling property he shares with his wife Eliza and three sons Art, Edward and Henry. The boys head off to war and perish in the ill-fated clash with Turkish forces on the Gallipoli peninsula. Their final resting places are unknown, like so many who fought, and Eliza is devastated. Joshua honours a promise to his wife to bring the remains of their boys back home.
